

Meeting the communication needs of people with a profound and/or multiple learning disability.

This course will cover:

- Objects of Reference and how they are used.
- An introduction to Intensive Interaction techniques.
- Ideas on how to support individuals to be more involved in choices and decisions.

This one day course is suitable for anyone working with this client group who has previously attended a Total Communication course.

Venue: Franklyn House, Exeter

Time: 9:30am to 16:30pm

Cost: No charge
